

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

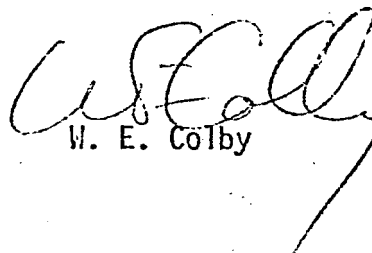

4 SEP 1973

MEMORANDUM FOR: United States Intelligence Board Principals

SUBJECT: DCI's Perspective of the Intelligence Environment

1. The attached paper outlines my views of the world environment in which we of the intelligence community will be working over the next several years. Further, it outlines the key intelligence problems as I see them. I would appreciate it if this document were given wide dissemination among your intelligence officers. Copies have been provided to the President's Foreign Intelligence Board, the members of the NSCIC and the IRAC.

2. I will shortly forward to you some specific substantive intelligence objectives related to this view of the environment and to the goals and objectives which I intend to pursue in compliance with Presidential directives. I will also forward to the members of IRAC specific objectives related to management and resource objectives.

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

4 SEP 1973

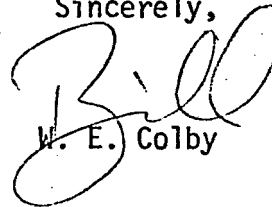

Admiral George W. Anderson, Jr.
Chairman, President's Foreign
Intelligence Advisory Board
Room 297, Executive Office Building
Washington, D. C.

Dear Admiral:

Enclosed for the use of the Board members are two copies of a paper which I have recently disseminated to the intelligence community. It outlines my views of the world environment in which the community will be working over the next several years, and describes the key intelligence problems as I see them.

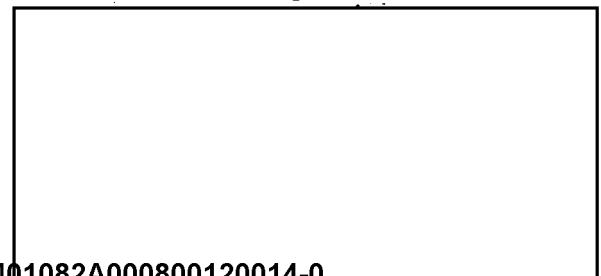

I will shortly forward to members of USIB some specific substantive intelligence objectives related to this view of the environment and to the goals and objectives which I intend to pursue in compliance with Presidential directives. I will also forward to the members of the Intelligence Resources Advisory Committee specific objectives related to management and resource objectives.

Sincerely,

W. E. Colby
